The Union County Trust and Savings Association.

The Union County Trust and Savings Association has been organized with a paid-up capital of \$50,000.00. H. J. Hammond is president and treasurer and Nestor C. de Baca is vice-president, place of business Clayton, N. M. This company will do business in the First National Bank building at present, but will soon have a building of their own. This means two banks for Clayton in the near future. The Trust and Savings Association will be in a position to pay interest on time deposits, make real estate loans and also make longer loans, reach a business which a national bank cannot do. With such men as are named in the incorporation and under the wise guardianship of H. J. Hammond, we are glad to recommend this concern to our readers as a strong and safe business institution.

Society Events.

Mrs. H. J. Hammond originated a most novel and interesting form of entertainment when she issued invitations to a number of her friends asking them to assist her in celebrating her nineteenth wedding anniversary, Wednesday afternoon, Oct. 10th, 1906. One of the provisions of the invitation was that each guest was to wear her wedding costume and relate some incident of her wedding day—which they all did. The costumes, in all stages of preservation and the anecdotes were entertaining and amusing. A hand-painted plate offered as a prize to the oldest bride was awarded to Mrs. T. S. Snyder, who looks back over 40 years to the happy day when she marched to the altar behind the little candle-bearers and took her overland wedding journey, the description of which was like a chapter from some old story book. Mrs. G. L. Marsh received the prize for the youngest bride having only three years to her credit. The beautiful hand painted question cards, each representing a bride in some posture, were work of Mrs. W. H. Bartlett.

Mrs. Vandewart entertained at whist and forty-two last Saturday afternoon. Miss Walton and Mrs. Hammond won the prizes at 42 and Mrs. Harrison and Mrs. Marsh the prizes at whist. Mrs. Fawcett received the consolation prize, an egg beater with the advice to beat eggs if she could not beat games.

Miss Blanche Herfon entertained a number of her little friends last Saturday afternoon in a most charming manner. Games were played and refreshments were served on the beautiful lawn. Miss Cyrene Toombs and Miss Josie Ward assisted the little people.

Eugene Bryant Murdered.

Last Sunday night about 10 o'clock the report of two shots from a negro cabin in the north-west of town signaled the fact that blood was on the moon in the dark-town district. As far as we can learn Eugene Bryant and Josie Collins had been living together for some length of time, but of late Gene and Josie have not been living as little lambs, the result of Sam Burts occasionally appearing on the scene. Sunday night Josie, Gene and Sam were all present when dissatisfaction arose and Gene threw Sam out the door, Josie was making things happen upon the person of Gene with a knife when it seems that Sam stepped to a window and fired two shots, one taking effect in the top of Gene's head and the other going wild. The result was Eugene Bryant was buried, Josie Collins landed in jail and Sam Burts immediately departed for Texas. Constable R. T. Mansker is in search of Collins and it is reported is in close pursuit.
